OUR PHILOSOPHY

At 7 Hills Brewing, our mission is to produce world class craft beer paired alongside unique cuisine within a relaxed & enjoyable atmosphere. We pride ourselves on our attention to detail and years of experience combined; and live by the motto "To each one teach one". We have not only renovated a historical building but strive to restore the rich brewing traditions that once permeated Dubuque's landscape. We are unapologetically individualistic and against the grain. We push the boundaries of progress in an effort to discover fresh and innovative techniques utilizing technology and science to craft our food, drinks, and entertainment. "Come as you are and exercise your will to be weird." Our menu is made from scratch so from time to time we may sell out of an item. Thank you for your understanding. Cheers to your life's adventure....
